

privacy policy

Thank you for visiting Design In Mind Events web site. To make certain that you understand how any personal information you provide will be used, you are encouraged to review the privacy policy before using the site or submitting any personal information. Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement. By using the site, you are accepting the practices described in this privacy policy. These practices may be changed, but any changes will be posted and changes will only apply to activities and information on a going forward, not retroactive basis.

Please note, the privacy practices set forth in this policy is only for Design In Mind Events web site. If you link to other web sites, please review the privacy policies posted at those sites.

Collection of Information

At this site, the types of personally identifiable information collected may include but are not limited to name, e-mail address, and telephone number. We also may collect certain non-personally identifiable information when you visit our website such as the type browser you are using, the type of operating system you are using and/or the domain name of your internet service provider.

How We Use the Information

The information you provide is used to understand your needs and provide you with a better service, as well as, internal record keeping and future promotions.

We may disclose personally identifiable information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when permitted or required by law; or, protect against or prevent actual or potential fraud or unauthorized transactions; or, investigating fraud which has already taken place. The information is not provided to these companies for marketing purposes.

Although we take appropriate measures to safeguard against unauthorized disclosures of information, we cannot assure you that personally identifiable information that we collect will never be disclosed in a manner that is inconsistent with this Privacy Policy.

Cookie and Tracking Technology

To enhance your experience with our site, many of our web pages may use cookie and tracking technology depending on the features offered. Cookie and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of visitors to the site, and understanding how visitors use the site. Personal information cannot be collected via cookies and other tracking technology, and do not tell us your e-mail address or other personally identifiable information. However, if you previously choose to furnish the site with personally identifiable information, this information may be linked to the data stored in the cookie. Aggregate cookie and tracking information may be shared with third parties.
